

AD&Co. Update – January 2006

by Rob Landauer

Just like the Steelers and Seahawks, AD&Co. is off to a fast start in 2006. Please stay on top of all of the new model developments and company announcements through our website and this column in The Pipeline. This is the best way to ensure that you do not miss out on the rapid flurry of model releases and events scheduled for 2006.

A critical semi-annual event looms—the expiration of license keys on January 31st. If you have not already done so, please make sure that you install the new key that Ilda sent to you earlier this month. If you have not received your key or have an outstanding issue that needs to be resolved, please contact Ilda immediately. If you do not install the new key now, the model will cease to function on February 1, 2006.

Mark your calendars: the dates for **AD&Co.'s Annual Conference** are set. **The New York** conference will be held at the world famous **Puck Building** located in SoHo on **Thursday, June 15th**. The show moves to **San Francisco** at the chic **W Hotel** on **Tuesday, June 20th**. No need to attend on both dates as the content will be the same in both locations—attend the one that best suits your schedule. Let's see—spring in NY or San Fran—tough choice. Additional information is coming soon.

If you are planning to attend the ABS West Conference in Phoenix, AZ from February 7-10, please visit AD&Co.'s booth in the exhibit hall. Our west coast team, Sekiko, Anne and Kyle will be there to answer your questions and demonstrate our newest products and models. Kyle is participating in the **Hot Topics in Mortgage-related ABS: Credit and Prepayment Roundtable** which will be held on Thursday, February 9th at 12:15 PM. If you plan to be in Las Vegas for the ASF Winter Conference from January 30-31 and would like to meet with Rob Landauer, please drop Rob an email and let him know when you are available.

Enjoy the Super Bowl!!!
